Dear Andrew,

Re: Nomination for a Gold Coast World Surfing Reserve status from Burleigh Heads to Snapper Rocks.

I support this initiative as it helps raise awareness of our natural marine wonders here on the Gold Coast.

These surfing breaks are all part of a healthy marine scene where surfers respectfully coexist with this ocean environment.

Attaining a world ranking can only help strengthen that respect.

Yours sincerely

A handwritten signature in black ink that reads "Ian Banks". The signature is fluid and cursive, with the first letters of "Ian" and "Banks" being capitalized and prominent.
